

HANDYNEB NEBULIZER GOLD

Features:

- Piston Type Compressor
- Low Noise Level
- Compact
- With Bag
- Light weight
- Wall- Mounting
- Safety fuse: better Safety
- Anti-shock case with handle : easy to carry

HANDYNEB NEBULIZER NUPRO

Features:

- Piston Type Compressor
- Low Noise Level
- Compact
- Accessories Compartment
- Safety fuse: better Safety
- Recessive Handle

HANDYNEB NEBULIZER SMART

Features:

- Piston Type Compressor
- Low Noise Level
- Compact
- Light weight
- Safety fuse: better Safety
- Anti-shock case with handle :
easy to carry

HANDYNEB NEBULIZER CLASSIC

Features:

- Piston Type Compressor
- Low Noise Level
- Compact
- Light weight
- Safety fuse: better Safety

HANDYNEB NEBULIZER SUPER

Features:

- Piston Type Compressor
- Low Noise Level
- Compact
- Light weight
- Safety fuse: better Safety
- With handle

AIR PRESSURE MATTRESS AIR BED AB01

Features:

- Provides Pressure relief
- Easy-to-attach, compatible pump unit
- Super Quiet
- Low Power Consumption
- Odour-free
- Free puncture repair kit

HANDYVAP STEAM INHALER VAP-01 Design Patented

Features:

- 100% Plastic body to prevent shocks
- Cord 1.5 Meter Length
- Double wall body to avoid any injury due to hot water while handling the machine.
- Special Locking to avoid accidental opening to safeguard from spilling hot water and burn.
- Can use with hard water, soft water or R/O water.

BLOOD PRESSURE MONITOR BP-09N

Features:

- Upper arm type
- WHO Function
- With USB Port (can be used without battery)
- Memory: 2 X 99 groups (double users)
- Material: ABS + Large LED display, easy to read

NEEDLE BURNER & SYRINGE DESTROYER MEDTECH-DOTS

Features:

- Compact Design
- Two Second Operation
- Shockproof, Fuse-protected, Consumes less power.
- High - Grade steel cutter : long life
- Eliminates the need for recapping
- Prevents needle injuries.

OXYGEN CONCENTRATOR OXYTEC-SMART

Features:

- Compact
- Light Weight 16Kg
- Low power-average 330watts
- Quiet Operation
- Stainless Steel outlet,
- Extensive Ventilation
- Can be used without air conditioning
- 0-5lpm upto 95% pure oxygen
- Value and Motor American make
- Sieve from France
- Stainless Steel oxygen outlet will not break during use.
- Flow indicator
- Lockable flow controller, in recessed cavity. Reduced chance of accidentally changing flow during use.
- ON/OFF Switch when ON, is inside the machine body, reduce chance of accidentally shutting off the machine.

HANDYPAP AUTO CPAP

Features:

- Comfort Mode: CC+
- Digital Symbols
- Hands- free star (Auto On): Standard
- Respiratory events detection: Standard
- Data transfer: Mini USB- Cable, SD card (Oxylink)
- Altitude adjustment: Automatic
- Leak compensation: Automatic

HANDY TMP 01 DIGITAL THERMOMETER

Features:

- One unit serves entire family
- Safe... Unbreakable
- Dependable accuracy
- Automatic shut-off
- Digital fast and convenient
- Memory

PULSE OXYMETER OXYGARD OG01

Features:

- Light & Compact design
- Quick measure
- Easy Operate & Carry
- Automatically power off
- Low Power Consumption
- Dual color OLED display

MEDTECH® Leader in healthcare & homecare

Today, lifestyle diseases are on the rise. Key reason ? Hectic lifestyles, that people simply cannot wish away .

Though the longevity due to increasing in awareness about health & hygiene has increased but quality of health is poor so need intense healthcare.

Hospitalization is becoming expensive so healthcare at home (homecare) is becoming popular & important day by day.

It is in the context of these Homecare that convenience becomes crucial.

MEDTECH is Leader in health & homecare and provide many important gadgets & devices for their Homecare.

At medtech we do R & D to make new product and improve existing products.

It allows patients to avail product more economically & use it conveniently for long time

We also provide service to support these products.
